

My dear Brothers and Sisters in Christ,

I have just come back from a Regional gathering in Lawrenceville, Ga. and I had a fantastic time. I met a lot of old friends and some new ones. We had nine of our Hispanic brothers and sisters in attendance, and from the looks of it they all had a great time also.

I learned many new things and I want to share them all with each and everyone of you to help our movement grow in the right direction. One of the main things that was stressed to us **was the very importance of having a School of Leaders.**

The School of Leaders is where we are and will be **pulling everyone** that is on team from to make it authentic, and so we will be expanding our knowledge of the movement and all it has to offer in order to keep us growing in that direction.

This past spring we had to cancel our weekends for both the men and women for various reasons, I pray that we will never have to do that again. Working together and knowing how to do it correct is powerful and it will help us grow and in order to be a good servant to the Lord we need to know and do exactly what He wants us to do.

I know that all these changes have been painful, disturbing, and stressful and I ask you all to bear with me as I take you on this journey in sharing our Lord with others through the Cursillo movement.

I have invited our regional team to come to our area and assist us with our school of leaders growth.

So, if your fourth day takes you in the direction of being on a Cursillo team at any time in the future I invite you all to attend our next work shop on June 19<sup>th</sup> at Sacred Heart Church in Vidalia, Ga. It will begin at 8:30 am and finish at 4:45 pm (or sooner). The cost of having this will be \$15.00 and will include your lunch. You will need to pre-register by letting me know if you will be attending and then send me your check before June 12<sup>th</sup> so that I can let the regional team how many will be in attendance, so that they can have the materials on hand that they will need, and also so that our cook will know how many to feed. Once you send in your payment your name will be put on a list and you will be given a ticket to get your lunch, no ticket, no lunch. My address is Helen Ladensack, 387 Godley Road, Brunswick, Ga. 31523. My cell phone # is 912-269-4626 Home phone # is 912-261-0263

I truly appreciate your co- operation, dedication and support in making our diocese Cursillo movement a fantastic **one in the spirit.**

May God bless you all and know that I send Christ's love and mine to each and everyone of you.

Respectfully,  
Helen Ladensack
